

April 22, 2010

Dear Pastor/Congregation:

I greet you in the wonderful name of Jesus Christ, the one who has compassion and love for all his people. In him we live, we move, and have our being. I am the Pastor of Main Street, Baptist Church, New Castle, KY; located in (Henry County) for 33 wonderful years.

It has been my pleasure to be closely associated with Deacon Jesse Harris, the State Chairman of Faces Of Our Children, Inc. Fighting Sickle-Cell Disease in Kentucky. He is also the Organizer of Labor's Salute to Gospel for Sickle-Cell, a fund-raiser held every year in May. I have attended all ten of these great events; it has been a joy to watch these programs grow in number from year to year. I have watched the fantastic Williams Brothers sing on stage for Sickle-Cell, last year's Gospel Diva Ms. Evelyn Turrentine-Agree of Detroit, MI, to this year's the Gospel Legend himself Mr. Spencer Taylor, and the Highway O'C's of Washington, D.C. with his smooth rich harmony.

My Sisters and Brothers, this is more than the average concert, this is a concert with a great cause, and the cause is the children, women, and men who suffer with Sickle-Cell Disease in the state of Kentucky. Brother Pastors' I am calling on you to do the very best you can in this fund raising effort, because these are Faces of Our Children.

- Please announce this program in your church.
- Try to get a group of 15 or more to come support this effort; the group rate is only \$13.00 per person.
- Have a group of 15 or more and the Pastor and his wife will receive two free tickets.
- Or encourage your congregation to purchase as many tickets as they can.
- Please pray for the children, women, and men with Sickle-Cell Disease.
- For a donation of \$120.00 your church will have a full-page ad, seven tickets, and two free tickets for Pastor and wife. Please send camera-ready ad.

Let's have a successful night for the children with Sickle-Cell Disease in Kentucky.
To God Be The Glory.

Sincerely,

Rev. Dr. M.L. Trabue
Coalition of Churches
of Kentucky

If there any people in your church with Sickle-Cell Disease they are invited to attend the event free.
