

## **“IT PAYS TO BELONG”**

Your Union membership card does more than just signify that you're a member. It entitles you to a program which offers benefits and discounts to you and your family simply because you are a member of Local 227. The services include discounted legal services, a special union credit card with low interest and no annual fee, and a mortgage and real estate program. We have also negotiated discounts with theme parks, movie theaters, and car washes. If you have not received information on the program ask your Steward or call Janie Palmer at 1-800-443-4191 or 502-582-3508, ext. 117
